POWER...EVERYWHERE YOU ARE!

POWER UP WITH GREEN ENERGY!

From patios to parks - everyone wants to stay connected, but no one's battery is big enough. GoSol SC is the first patio table to provide power and Internet everywhere you need it, all with green energy!

The GoSol Smart Charger simply uses the power of the sun to charge a built in battery that provides both AC and USB power. Plus, SC serves as a WiFi hotspot.

So, gather around GoSol SC to charge, surf and simply connect on-the-go!
