

# Employment Options

At Livingston & Haven, it is our desire to provide an unlimited advantage to our customers as well as every employee, and, to do that, we need the right people. Therefore, we focus on motivating and developing leaders who will impact the world around them while having fun along the way. If you are interested in working in an environment where you are encouraged to continually develop, invited to share your ideas and challenged to grow, there are three ways to get started:

## Summer Internship Program

The summer internship program is a paid internship program for high school juniors, seniors and any college student. The program is designed to give students the opportunity to apply skills learned during the year while being challenged to consider interests for future employment.

Benefits of the Summer Internship Program include:

- Face-time with company executives
- Get a glimpse of daily business activities
- Valuable work experience

## Associate Development Program

The Associate Development Program is a 6 month, paid training program for college graduates. The program is designed to give graduates an opportunity to explore areas throughout the company while preparing them for a career with the company. At the end of the 6 months, if both the candidate and company agree, an offer of full-time employment will be made. Benefits of the Associate Development Program include:

- Continuous training
- Open communication regarding the candidate's progress

## Traditional Hiring

Whether you are a new graduate or an industry leader looking to advance your career with an innovative, cutting edge company that provides the highest quality products and services, we would like to hear from you. Job openings and application requirements are listed on our website at [www.livhaven.com/careers](http://www.livhaven.com/careers). To apply, you must:

- An application and current resumé
- Materials may be submitted by hand, email or by fax at 704-583-0453.
