

**SATURDAY
NOVEMBER 17**

9:00 AM - 12:00 PM

**CPCC ADVANCED TECHNOLOGY CENTER
1241 CHARLOTTETOWNE AVE.
CHARLOTTE NC 28204**

This interactive fair for middle school students and their parents is designed to increase awareness and understanding of the exciting careers available in science, technology, engineering and math. Students will have a unique opportunity to talk with representatives from leading companies and local colleges to find out what education is required to have a career in the exciting STEM field.
